New Brunswick Canada Games Fencers meet tough Quebec Competition

A team of sixteen New Brunswick fencers took part in a Quebec Circuit competition in Montreal on the weekend of Dec. 1-2; all but one are vying for spots on the NB Canada Games 2013 Fencing Team. The competition was an opportunity to test themselves against a mostly older and more experienced field of Quebec fencers and to identify where they need to focus their training over the next eight months. Newly hired provincial coach, Xavier Boulet who has worked for one month with the team commented "It was very positive with a good fighting spirit from the team but there is still work to do and we are ready to take the next step."
