*Participant Agreement-please read carefully and sign below:*

I understand that there is potential risk for injury inherent in fencing, as in all sports. These include but are not limited to: muscular injuries resulting from vigorous exertion and rapid changes of direction of movement; bruises resulting from hits received during fencing with an opponent; injuries resulting from my failure to properly use the fencing equipment; injuries resulting from the breakage of a fencing sword or failure of protective equipment; additional risks associated with my travel to and from the fencing event.

**Personal protective equipment:** I understand that it is mandatory to wear a properly fitting fencing mask, underarm plastron on the sword arm, breast protector for females, fencing jacket, glove with gauntlet that covers the sword arm sleeve, and fencing breeches or long pants of robust material, all of which must be in good repair.

**Infectious Disease Safety:** COVID-19 has been declared a worldwide pandemic by the World Health Organization and is extremely contagious. Fencing Escrime NB has put in place preventative measures to help reduce the spread of COVID-19; however, I understand that Fencing Escrime NB cannot guarantee that I will not become infected with COVID-19.

**Safety rules in training and competition:** I understand that rules have been established for safe conduct at the training site that I must follow and the organizers have tried to create a safe and controlled environment for participation.

**Release:** I am participating voluntarily in this event and agree to accept the risks and be responsible for any injury, equipment damage or other loss that I might incur as a direct or indirect result of my participation in the clinic. I agree to release Fencing-Escrime NB, *the venue* and their respective directors, officers, staff, coaches, volunteers and officials of all responsibility for such injury, loss or damage.
