**Entry Fee:** \$30 / event.

**Registration:** [Register online here](#) by the end of Thursday, September 22nd, 2022.

All FENB participants must be currently registered with FENB as “Fencing Members” in order to participate. Those who are registered as “Recreational Fencing Members” will need to upgrade their memberships. Participants from outside of NB will be required to have a valid CFF license.

**Refund / Withdrawal:** Participants may withdraw from the competition before the close of check-in for any reason and receive a refund of event fees (minus processing applicable fees) provided they notify the organizers (see contact info above) and receive confirmation from them before that check-in time.

*Please note:* you don't need to buy the cancellation insurance from the online system.

**Format:** One round of pools followed by 15 point direct elimination matches to the final.

- Direct elimination matches in U13 events will be to 10.

**Overlapping events:** participants registered in overlapping events may be asked to withdraw from one event if the overlap causes significant delay in either event.

**Required Equipment:**

- A fencing sous-plastron is required.
- Masks must have a secure strap and be able to pass the 12 kg punch test.
- Fencing breeches must be worn. They must cover below the knee and long socks must be worn with breeches.

- Female participants must wear a chest protector.
- Participants in U13 Epee should wear a chest protector.
- It is recommended that all participants have 2 blades and 2 body cords.

**Armoury: Fencing mask and glove must be checked by the tournament armourer for safety prior to competing.** Masks and gloves must be clean when being tested. Electric equipment will not be checked at this time, but the appropriate penalties will be assessed on piste by the referee if a fencer presents with equipment that does not work.

**COVID-19 Protocols:** Face masks are encouraged to be worn inside at all times by all participants, including athletes, coaches, officials, and spectators, unless actively fencing/warming up. We will update protocols closer to the tournaments if necessary. Participants who are feeling ill or have COVID symptoms should stay home.

**Canteen:** The Fundy Fencing Club will be maintaining a light canteen on site. The canteen is cash only.
