**École Carrefour de l'Acadie**

FENB is pleased to offer all the Atlantic provinces a chance to test out the 6-person team format for the 2023 Canada Winter Games. We will be running several of these matches between the selected CWG teams (PEI, NB, NS) as well as any other sets of 6 fencers that want to form a team.

In addition, we will have group training for all participants with our NB coaches Jim Stevens and Marc-Andre LeBlanc. The standard fare of footwork and blade work will be provided, as well as offering feedback and advice on how to best represent ourselves at the Canada Winter Games and beyond.

Given Moncton/Dieppe's central location for the provinces, we are hoping to have a strong showing from both PEI and Nova Scotia. The NB selected team will be attending and we are expecting at least one additional NB team. All ages are invited to attend, but as a competition preparation camp all fencers should expect the level of challenge they have seen when competing outside of their own province. To register please fill out the following form:

All fencers should bring their competition gear (wires, lames, electric weapons, etc) as well as water bottles, snacks etc to make it through the day. We will be stopping for 45 minutes each day for lunch and there are restaurants in the area. Parents and coaches are welcome to stay and cheer their athletes on during the team matches.
